## How to use this PDF

Upload this PDF to your RAG application using **POST /ingest/file**. Then ask the example questions in the README or try the questions listed at the end of this document. All company names, policies, people, products and contact details below are fictional and created for software testing.

## 1. Company overview

**Northstar Demo Store** is a fictional online retailer based in Pune, Maharashtra, India. It sells office accessories, desk organization products and basic work-from-home equipment. The business operates its customer support desk Monday to Saturday, from 9:30 AM to 6:00 PM Indian Standard Time (IST). The support desk is closed on Sundays and on the company's published public holidays.

**Business address:** 101 Example Business Park, Demo Road, Pune, Maharashtra 411001, India. **Support email:** support@example.invalid. **Support phone:** +91 00000 00000. These are placeholder contact details and are not real contact channels.

## 2. Products and prices

The following catalog is deliberately small so that retrieval results can be checked easily. Prices are sample prices in Indian Rupees and do not represent real offers.

| SKU | Product | Sample price | Warranty |
|---|---|---|---|
| NS-101 | ErgoDesk Lamp | ■1,499 | 12 months |
| NS-102 | Cable Organizer Set | ■299 | No warranty |
| NS-103 | Aluminium Laptop Stand | ■899 | 6 months |
| NS-104 | Wireless Keyboard | ■1,199 | 12 months |
| NS-105 | Desk Mat - Large | ■499 | 3 months |

## 3. Shipping and delivery policy

Orders are normally dispatched within 2 business days after payment confirmation. Standard delivery within Pune usually takes 2 to 4 business days after dispatch. Delivery to other serviceable locations in India usually takes 4 to

7 business days after dispatch. These are estimates, not guaranteed delivery dates.

Standard shipping is free for orders with a product subtotal of ■1,000 or more. For orders below ■1,000, the sample standard shipping fee is ■60. Cash on delivery is not available in this demo policy. Customers receive a tracking reference after dispatch.

## 4. Returns, exchanges and refunds

A customer may request a return within 10 calendar days of delivery for an eligible item. The item must be unused, undamaged, and returned with its original packaging and included accessories. Products damaged through misuse, customized products, and items marked final sale are not eligible for a standard change-of-mind return.

To start a return, the customer should provide the order number, item name, reason for return and clear photographs if the item is damaged. The support team reviews a return request within 2 business days. Approved refunds are initiated to the original payment method within 5 to 7 business days after the returned item passes inspection. The time taken by a bank or payment provider to post the refund may vary.

If an item arrives damaged or the wrong product is delivered, the customer should contact support within 48 hours of delivery and include photographs of the package and product. The support team will review the case and explain the available replacement or refund options.

## 5. Cancellation policy

An order can be cancelled without a cancellation fee while its status is **Processing**. Once the order status changes to **Shipped**, it cannot be cancelled through the standard cancellation process. The customer may instead contact support and, if eligible, follow the return process after delivery. If a prepaid order is successfully cancelled before dispatch, the refund is initiated within 5 to 7 business days.

## 6. Payment methods

The fictional store accepts UPI, debit cards, credit cards and net banking. Payment is considered confirmed only after the payment gateway reports a successful transaction. Customers should not share their UPI PIN, card PIN, CVV or one-time password with anyone, including a person claiming to be a support agent. The store never asks customers to disclose an OTP over phone, email or chat.

## 7. Customer support and escalation

First-line support handles order status, tracking questions, basic product information and return requests. If an issue remains unresolved after 2 business days, the customer may request escalation to the support supervisor. The supervisor aims to provide an update within 3 additional business days. Support hours are Monday to Saturday, 9:30 AM to 6:00 PM IST.

## 8. Employee leave policy (sample)

Full-time employees in this fictional example receive 12 days of paid casual leave and 12 days of paid sick leave per calendar year. Unused casual leave expires at year-end and is not carried forward. Up to 6 unused sick-leave days may be carried forward into the next year. Employees should notify their manager as early as possible when taking unplanned leave. Planned leave of 3 or more consecutive working days should normally be requested at least 7 calendar days in advance.

## 9. IT and information security rules

Employees must use a unique password for company systems and enable multi-factor authentication where available. Passwords and authentication codes must never be shared. Suspected phishing emails should be reported to the IT help desk without clicking links or opening unexpected attachments. Lost devices must be reported to the manager and IT help desk immediately. Customer personal information must only be accessed when required for an authorized business task.
